Re: Suzanne Bair – Case No. 18-12585

Dear Mr. Goering,

As you know, the United States Trustee reviews chapter 7 cases pursuant to 11 U.S.C. § 727. During our review of this Chapter 7 case, some issues were identified and therefore we are requesting additional information. Our review has identified the following issues to address:

(1) verification of business income, expenses, and disposition of assets.

To help us with our review, please provide us with copies of the documents requested on the attached list *within fourteen days from the date of this letter*. **Please do not fax documents as our fax machine cannot handle a large volume of documents.** E-mail, regular mail, or hand delivery of the documents is appreciated.

We realize that there may be facts or extenuating circumstances relating to a bankruptcy case that do not appear on the Schedules or Statement of Financial Affairs. If such exist, please provide us with any additional information that you think would assist our review. If you have any questions, please do not hesitate to contact me at benjamin.a.sales@usdoj.gov or (513) 684-6988 ext. 223.

Sincerely,

/s/ Benjamin A. Sales
Attorney for the United States Trustee
